

Martin O'Malley, *Governor*  
Anthony G. Brown, *Lt. Governor*

Beverley K. Swaim-Staley, *Secretary*  
Melinda B. Peters, *Administrator*

May 4, 2012

As part of the State Highway Administration's (SHA's) ongoing effort to keep you informed of projects in your area, SHA will begin two roadway safety and resurfacing projects along MD 547 (Strathmore Avenue/Knowles Avenue) in Montgomery County in early May. Weather permitting, the project should be complete by mid-July.

SHA will grind, patch and resurface the road in two locations:

- **MD 547 (between Weymouth Street and MD 185 (Connecticut Avenue) and;**
- **MD 547 between MD 355 (Rockville Pike) and Flanders Avenue**

Crews will work Monday through Friday, between 9:00 a.m. and 3:00 p.m. and will use a flagging operation to close a single lane in both directions of MD 547 during the project. Other work includes application of new permanent pavement markings once roadway resurfacing is complete.

We will continue to update you on significant projects that are located within your area. If you have any additional questions or comments, please feel free to contact our District Community Liaison, Christopher Bishop, at 301-513-7405 or via e-mail at [cbishop@sha.state.md.us](mailto:cbishop@sha.state.md.us).

Sincerely,

A handwritten signature in black ink, appearing to read "B. Young".

Brian W. Young  
District Engineer
